Requesting Electronic Delivery

Many investment companies send unwanted paper documents, including quarterly statements, annual statements, prospectuses and proxy statements. Follow these directions to stop the mailings and make them electronic.

1. On the envelope or inside the envelope, locate a document that looks similar to the sample shown below.

2. Note the code at the top, in the box beside the arrow.
3. Go to: <http://www.investordelivery.com>
4. Enter the code.
5. Follow any other directions.

You are now done and will begin receiving prospectuses via e-mail. Repeat this process for each undesired mailing. Please call us at (303) 690-5070 if you have any questions.
